

PENTHOUSE WITH SEA VIEW IN THE HEART OF PALMA

750.000

130 sqm

3

Palma, Paseo Marítimo

This spacious penthouse sits in the heart of Palma on the beautiful Paseo Marítimo with 180 degree sea views from the large roof terrace of 100m². This apartment is renovated with high quality fittings, such as wooden flooring, solid wood doors, and good carpentry. The living area is spread out to a spacious living / dining room from where you can enjoy a sea view which is connected to a balcony and a fully equipped renovated kitchen. There are two double bedrooms with fitted wardrobes and seaviews; the master bedroom has an en-suite bathroom.

Furthermore, there is a private roof terrace which is accessed from a communal staircase or elevator. Here you can enjoy the sun with views of Palma and the famous Cathedral, there is an outdoor kitchen, bar, fridge and storage room for your use. Other amenities in the building is a community pool, parking space included in the price, and a storage room.

Paseo Marítimo is one of the best promenade to walk and relax in Palma, overlooking the sea and the port.
