Bright Apartment in La Bonanova with Terrace and Open Views

Located in the lower part of La Bonanova, one of Palma's most desirable residential areas, this bright and spacious apartment offers a perfect combination of contemporary comfort and peaceful surroundings. With only six neighbours in the building, it provides a quiet and exclusive living environment while still being conveniently close to all essential services and excellent public transport links.

This stunning Apartment in La Bonanova, Palma features two generous double bedrooms, one with an en suite bathroom, and a second bathroom with a bathtub. A spacious living and dining area opens onto a private 14 m² terrace that enjoys open mountain views and long hours of sunshine, flooding the home with natural light. The kitchen is well-sized and includes a separate laundry room. It can easily be opened up to the living space for a modern, open-plan layout.
With almost 100 m² of interior space, the property is in good condition and also offers great potential to be updated with an easy renovation. It also offers the potential to convert into a three-bedroom apartment.

Situated in the southern area of La Bonanova, the neighbourhood blends local charm with an international flair. Just steps from the Bellver Castle forest, the newly renovated Paseo Marítimo, and the Porto Pi Shopping Center—with shops, gym, restaurants, and a large supermarket—everything is within easy reach. Palma's city centre is just 10 minutes away, and the airport can be reached in 15 minutes by car.

An ideal property for personal use or as a solid rental investment.
