Stunning apartment with panoramic sea and Palma bay views

Some properties simply need to be experienced in person to truly understand their charm, where photos and words fall short of capturing the feeling you get the moment you walk in. This is one of those rare gems: a newly refurbished apartment with unbeatable panoramic views over the sea and Palma Bay, just a short 5-minute walk from the city's historic centre.

Thoughtfully renovated bay view Apartment in Palma with high-end finishes. The apartment impresses immediately with its open-plan layout and floor-to-ceiling windows that flood the space with natural light and showcase breathtaking views. The custom kitchen by Cocinart is equipped with premium Gaggenau and Bora appliances, and connects seamlessly to the living and dining areas, perfect for both relaxed living and entertaining.

The property features two generous double bedrooms, each with an en-suite bathroom, along with a guest toilet and a laundry room. It also includes two smaller rooms ideal for storage, microcement flooring and walls, a smart home system, and air conditioning hot/cold. There is also the option to rent or purchase a parking space in the same building.

As we said, words simply aren't enough to capture what this apartment truly offers. If you're searching for something truly unique in Palma de Mallorca, this home deserves to be experienced in person. Don't hesitate to reach out – we'd be happy to arrange a private viewing.
