Remarkable finca with private golf course and guest house in Llucmajor

Tucked away at the end of a peaceful cul-de-sac and surrounded by 12.5 hectares of unspoiled Mallorcan countryside, this newly built finca near Llucmajor is a rare lifestyle retreat offering complete privacy, timeless Mediterranean charm, and modern luxury.

A stunning Finca in Llucmajor, Palma, completed in 2022. The 460 m² main residence blends natural materials with refined finishes and features four spacious en-suite bedrooms, including a master suite with a walk-in wardrobe, spa-style bathroom, and outdoor shower. Light-filled living areas open to multiple terraces with panoramic views, while a gourmet kitchen with a central island connects seamlessly to the outdoor entertaining spaces.

A separate guest house with a bedroom and veranda offers privacy for visitors, and an additional outbuilding provides space for a gym, sauna, or home office. The estate is a true private resort, complete with a 10,000 m² golf course, heated infinity pool, pétanque court, fire pit, 1.8 km running track, and even a chicken coop.

The beautifully landscaped gardens, designed by one of Mallorca's top landscape architects, include fruit trees, vegetable patches, and a fully automated irrigation system. With a rare, approved license under previous regulations, the estate allows for the construction of an additional 500 m² home—making this an unparalleled opportunity to expand, invest, or create your dream lifestyle in Mallorca.
