- Built in wardrobes

Bright apartment with large terrace & views in Son Espanyolet

This beautifully refurbished apartment offers a calm, sunlit retreat with a generous southwest-facing terrace and panoramic views over the city, including Bellver Castle as a striking backdrop. Fully reformed in 2017, the home combines clean, modern design with warm materials and a thoughtful layout.

The living area features an open-plan kitchen and large glass doors that frame the view and fill the space with natural light throughout the day. The seamless connection to the terrace creates an inviting setting for outdoor dining, lounging, or simply enjoying the sunset. The apartment includes two bedrooms and one bathroom, making excellent use of its 50 m² interior space. It also offers plenty of built in closets.

Modern comforts include floor heating, integrated hot/cold air, motorised persianas, and a carefully planned layout that enhances both functionality and comfort. The 20 m² terrace adds valuable outdoor living space and extends the home's bright, airy atmosphere.

Located in a quiet street of Son Espanyolet, the apartment enjoys a peaceful setting while remaining close to Palma Tennis, neighbourhood cafés and restaurants, and within easy reach of the city centre. Parking options are available nearby.

A gem with exceptional views in one of Palma's most popular residential areas.
